## Industry participants increase interest in WestSide

WestSide Corporation Ltd (ASX code : WCL) Director Nathan Mitchell and an additional strategic investor have increased their commitment to WestSide, acquiring parcels of shares from WestSide Chairman Angus Karoll.

Nathan Mitchell has increased his shareholding in the Company, acquiring an additional 961,540 shares. The purchase increases Mr Mitchell's interest in WestSide to almost 2.6 million shares. Nathan Mitchell has a lifelong involvement with the drilling and resource exploration industry and has been heavily involved in the growth of the coal seam gas industry in Australia and overseas since its inception in the 1990's.

The Company said Mr Mitchell's commitment and experience will be invaluable as WestSide moves toward reserve certification and plans the expansion of its current program.

The balance of the shares (2.88 million) were purchased by a strategic investor. WestSide Chairman and acting-CEO Angus Karoll said the increased shareholding by both Nathan Mitchell and the strategic shareholder provides strong support and demonstrates their belief in WestSide's prospects.

Mr Karoll is WestSide's founding shareholder and remains committed to managing WestSide as it moves toward achieving its goals of delivering certified reserves, generating income and pursuing fresh opportunities.

### About WestSide Corporation Ltd

WestSide Corporation Limited is listed on ASX (ASX code: WCL) and has interests in coal seam gas (CSG) projects in Queensland and Indonesia.

WestSide is currently operating an appraisal program with joint venture partner QGC, a BG Group company, at two sites in Queensland's Bowen Basin – ATP 688P and ATP 769P. WestSide is also assessing the CSG potential of certain coal deposits in Indonesia through its relationship with PT Bumi Resources TBK, one of Indonesia's largest coal miners.
